THE MYSTERIOUS FLAME

Little Oana, begs for charity trying to warm up her cold little hands, sending with the language of the signs, a box of matches that, passers-by don't understand but it deeply touched Tulia's heart. The flame in Oana's hands has reawakened in her the wish to become a mother... A wish it will stay in her heart forever...

DREAMING...

Marco draws many many many cartoons... Finally, he tires a lot and he falls asleep... He dreams himself: he is an agricultural farmer. After a hard day's work, he abandons to the rest, to the dreams, to the fantasies. In his fantasies about the wine shines all the authenticity, the tradition and the values, a tie of origins with the earth from the old aromatic. A good wine... A good year... And he wakes up...discovering, seeing the cartoons, that it was a dream and he scares...

HEART OF VIOLIN

A violinist expresses his passion for the music, for the violin. His heart guides his hands on the violin, the notes flows acute, melodic and soft, of rage and of sadness, crisps and rich in electricity. It involves dreams, the hopes, illusions, love for the life. Like a warm caress of a wonderful and gentle woman... There's life where it beats a heart...
